

Accelerate your business transformation journey

OUR MISSION

CITI's mission is to provide innovative and cost-effective solutions that enable our clients to succeed in their daily missions.

OUR VISION

CITI's vision is to be a preferred Information Technology solution provider while promoting and maintaining the most qualified and diverse professional staff available in the industry.

Established in 1996, **Creative Information Technology, Inc. (CITI)** is headquartered in Falls Church, Virginia, and have offices located throughout the United States, Europe, South Asia, and Canada. CITI is a diverse organization filled with talented IT and certified business professionals. We are certified in ISO 9001:2015, ISO 20000-1:2011, ISO 27001:2013, CMMI DEV Level 3 for Services, and CMMI-DEV Level 5 for Development. As a Microsoft Gold Partner, we specialize in the creative use of agile methods and emerging technologies.

CITI offers a full portfolio of IT products and services for government and commercial customers. Our offices include a state-of-the-art development integration lab and testing facility, where we both develop systems and explore advanced technologies on behalf of our customers. CITI has proven itself an IT thought leader in the core competencies of systems engineering and integration; network engineering; identity management/biometrics; healthcare; business intelligence/data warehousing; enterprise collaboration portals; and enterprise architecture. CITI has successfully architected, designed, developed, and implemented agile, innovative, and on-time solutions such as custom software applications and critical systems for our customers.
